

NOVONIX Announces Participation in September Investor Conferences

August 30, 2023

BRISBANE, Australia, Aug. 31, 2023 (GLOBE NEWSWIRE) -- NOVONIX Limited (NASDAQ: NVX, ASX: NVX) ("NOVONIX" or the "Company"), a leading battery materials and technology company, today announced that members of the executive team are scheduled to participate in the following upcoming investor events in September 2023:

- Bernstein hosted virtual fireside chat on building the U.S. battery supply chain with NOVONIX CEO, Dr. Chris Burns on September 12, 2023.
- Piper Sandler Battery Summit held in conjunction with the Growth Frontiers Conference on September 13, 2023 in Nashville, Tennessee.
- Raymond James Strategic Metals & Materials virtual conference on September 21, 2023.

NOVONIX management will host one-on-one and group investor meetings during the conferences. Presentation materials and webcast links will be available by the day of each event on the NOVONIX [investor relations website](#).

This announcement has been authorized for release by NOVONIX Chairman, Admiral Robert J. Natter, USN Ret.

About NOVONIX

NOVONIX is a leading battery technology company revolutionizing the global lithium-ion battery industry with innovative, sustainable technologies, high-performance materials, and more efficient production methods. The company manufactures industry-leading battery cell testing equipment, is growing its high-performance synthetic graphite anode material manufacturing operations, and has developed an all-dry, zero-waste cathode synthesis process. Through advanced R&D capabilities, proprietary technology, and strategic partnerships, NOVONIX has gained a prominent position in the electric vehicle and energy storage systems battery industry and is powering a cleaner energy future.
